Lead Designer · Oneest · Chişinău

Mai 2019 - Decembrie 2019 · 8 luni

- Led the design initiatives for a telecommunications startup, overseeing the development of two interconnected projects: a business aggregator for operator hiring and a CRM for call center operations.

- Directed the end-to-end design process, including user interviews, wireframing, and usability testing, to ensure the seamless functionality and user experience of both projects.

- Established a comprehensive design system to maintain consistency and scalability across all aspects of the projects, enhancing efficiency and facilitating collaboration among team members.

- Managed a team of two junior designers and one illustrator designer, providing mentorship, guidance, and feedback to foster their professional growth and ensure the successful execution of design tasks.

- Collaborated closely with cross-functional teams to align design objectives with business goals and technical requirements, facilitating effective communication and synergy throughout the development process.

Motion Designer & Mobile App Designer · Midnight Works · Chişinău

Septembrie 2015 - Mai 2019 · 3 ani 8 luni

- Orchestrated dynamic visual experiences as a Motion Designer, infusing life and personality into our mobile app designs to captivate users and enhance engagement.

- Crafted visually stunning animations and transitions that seamlessly integrated with the overall user interface, creating an immersive and delightful user experience.

- Collaborated closely with the design and development teams to ensure the seamless integration of motion design elements within the mobile app, aligning with both design aesthetics and technical feasibility.

- Spearheaded the design process for our mobile app, from conceptualization and wireframing to prototyping and final implementation, ensuring a user-centric approach and optimal usability.

- Utilized my expertise in mobile app design principles to create intuitive and visually appealing interfaces that resonate with

users and drive engagement and retention.

- Conducted user testing and gathered feedback to iteratively refine and enhance the mobile app design, continuously striving for excellence and innovation in user experience.
