# IOS Developer

## About me

iOS Developer with 8+ years of experience building reliable, scalable, and high-performance mobile applications. Proficient in Swift, MVVM architecture, Combine, and integrating with RESTful and GraphQL APIs. Skilled in performance optimization and implementing CI/CD pipelines to streamline development workflows. Passionate about clean architecture, maintainable code, and collaborative development. Actively contributes to code reviews and mentoring, fostering team growth and knowledge sharing.

Open to remote, hybrid, and on-site opportunities.

## Work experience

### IOS Developer · MAIB · Chișinău

April 2024 - April 2025 · 1 year 1 month

In maib I had an Accord lead role, I did weekly sync with iOS team, created Personal Development Plan for assessment, helping and guided junior devs, was responsible for deploying app. Also I was member of Core team which is responsible for app performance and stability
