Despre mine

PERSONAL ATTRIBUTES:

I am a committed, hardworking and reliable Engineer with positive attitude to challenges and opportunities. I have previously worked in busy, fast-paced and challenging environments, therefore prioritizing my work activities is a key strength that I have developed. I take ownership of my tasks, and I'm willing to go the extra mile to deliver and exceed expectations where possible. I do my work honestly and pay attention to details. On my leisure time I am willing to learn something new by following scientific news and last technology updates.

HOBBY:

Book reading, Watching movies or going to the cinema, Guitar playing, Swimming, Football, Technical Drawing and 3D Modelling.

- Excellent familiarity with main Microsoft Office and Online Google Applications
- Strong skills in maintaining accurate Microsoft Excel and Google Spreadsheets
- Extensive experience of data structuring by pivot tables
- High ability to meet strict project deadlines
- Strong skills in researching and investigating
- Good abilities in communication with customers
- Good proficiency with prototyping and designing in CAD software (SolidWorks, PTC Creo, AutoCAD, CorelDraw)
- Strong ability to prepare and provide corporate reports
- Sound ability to coordinate with different office departments and staff
