Webflow Developer

Despre mine

I'm a Webflow Designer with a passion for creating well-thought-out and unique websites. I work with clients, design Webflow templates for the Marketplace, and previously gained valuable experience at BlueBeeWeb, a marketing agency where I worked as a Webflow Designer since 2021. Now, as a freelancer, I love bringing ideas to life and crafting sites that are both visually stunning and highly functional.

Experiența profesională

Webflow Template Designer · Webflow · Chișinău
Septembrie 2023 - Prezent · 2 ani 5 luni

I create high-quality Webflow templates for the Marketplace, designed for seamless user experience and modern aesthetics.
