IT specialist

Despre mine

I am a motivated and detail-oriented IT professional with a Bachelor's degree in Automatics and Computers, specializing in Informatics, and currently in the first year of my Master's in Software Engineering at UVT. Eager to build a strong professional career in the tech industry, I seek opportunities within forward-thinking companies where I can contribute effectively both as an individual and as part of a collaborative team. Originally from the Republic of Moldova, I chose to pursue my studies in Romania to deepen my expertise and gain hands-on experience in this fast-evolving field.

Experiența profesională

Full-Stack Developer · GAIM Solutions · Timisoara
Noiembrie 2023 - August 2025 · 1 an 10 luni

As a full stack web and mobile developer, I worked extensively with the latest technologies to build a variety of websites and applications that streamlined business processes and delivered measurable results.

My technical expertise included:

- Frontend & Mobile: React, Next.js, React Native (Tamagui framework), Tailwind CSS, ShadCN
- Backend & APIs: Node.js, Python, custom REST API development, AI integrations using OpenAI's Python library
- Databases & Storage: Firebase, Supabase, MySQL (Sequelize, Prisma ORM)
- DevOps & Deployment: Docker for containerized deployments
- Other skills: SEO optimization, multilingual websites, responsive UI development, Linux knowledge

I introduced new technologies and best practices into projects and consistently enhanced my technical skill set to deliver high-quality solutions.

Competențe: Tailwindcss, ShadCN, OpenAI, Python, Supabase, Firebase, Nodejs, Javascript, ReactJS, NextJS, Flexible, Team Work

Full-Stack Developer · Matematica.md SRL,
Moldova · Chișinău

Noiembrie 2022 - Noiembrie 2023 · 1 an 1 lună

Developed web and mobile applications using React.js, React

Native, TypeScript, Node.js, Express, and Sequelize, with MySQL, Firebase, and Supabase for data management. Built responsive interfaces and admin panels for dynamic content, translating designs into optimized, user-friendly code. Worked both independently and collaboratively, applying best practices and tools like MUI, Axios, and Storybook to deliver high-quality full-stack solutions.

Competențe: MySQL, Sequelize, Rest API, NodeJs, Javascript, React
