Sport stuff, animator, aqua aerobics

Despre mine

I like sport very much. This is my passion, especially women's fitness. I worked in different fields and would love to try myself on a liner, for example. I am not afraid of difficulties, stress-resistant and active.

I have a great desire to work on a sports team, maybe even with children, or to develop in the field of English.

I speak fluently, without an accent. I easily find a common language with people.

extensive experience working abroad

I will be happy to engage in additional organizational activities if required.

Active PC user.
