Dispatcher

Despre mine

My name is Volodymyr, I used to be a sailor, I worked at sea for 5 years. Now I live in Chisinau, I am 23. I decided to change my life and stop going to sea, I realized that I can earn the same money at home as there, but at the same time my life will be completely different, I will see my family every day, my girlfriend, my dog. This motivated me a lot and I decided to try myself as a dispatcher. I looked at your vacancy, I really liked the working conditions, the schedule and most importantly the training, for me learning something new is simply incredible, new emotions and achievements. I will give my best to fulfill my duties and even more!
