UI UX Designer

Despre mine

With over 13 years of experience in crafting clean, intuitive, and user-centric interfaces, I specialize in aligning design solutions with both business objectives and user needs. My expertise spans complex dashboards, e-commerce platforms, custom solutions, standard websites, and mobile applications, delivering high-quality digital experiences across industries such as food and catering, real estate, online retail, e-learning, health and fitness, and more. Having collaborated with clients across Europe, Asia, and the USA.
