Full-Stack Developer

Despre mine

I have been working as a freelance web developer for about 9 years. And my work is rated only with positive reviews. I often develop websites from scratch and can optimize sites that are already in development, can also help with technical SEO ...

Experiența profesională

What can I do for you, specifically? I can:

- develop a website/theme/plugin from scratch;
- improve the load speed / Core Web Vitals of your site;
- convert a design(Adobe/Figma/Invision, etc.) into a fully functional website;
- redesign the UI(User Interface) of your site for a better UX(User Experience);
- convert your mobile pages to AMP pages;
- help you with Tech SEO(ssl, tags, titles, descriptions, internal links, formatting, schema microdata, alt-s, 404 errors...)
