Teacher / Training QA

About me

Motivated and responsible linguist with over three years of teaching experience. I value accuracy, clear communication, and continuous learning. Currently expanding my professional skills by studying software testing. I am looking for a remote position that allows me to grow, contribute effectively, and develop new competencies.

Work experience

Teacher · Tiraspol Secondary School №9 · Tiraspol
February 2022 - Present · 3 years 10 months

Professional Experience:

English Teacher

2021 – Present

Conduct individual and group lessons for children, teenagers, and adults

Prepare students for exams and develop personalized learning plans

Create educational materials and interactive tasks for online and offline use

Use modern digital tools (Zoom, Google Classroom, Padlet, Quizlet)

Maintain consistent communication and support for each student

Additional Education:

QA (Software Testing) – Self-Study

2025 – present

Studying the basics of software testing (manual and automation)

Learning key concepts: test design, bug reports, Agile/Scrum principles

Exploring testing tools (Jira, Postman, TestRail, Git)

Skills: Analytical thinking and attention to detail, Time management and organization, Translation, Editing, Writing, Teaching and communication Writing

Desired industry

- IT, Tech

Education: Higher
