3D Designer

About me

Creative and motivated 3D Artist with professional experience since 2016 in 3D modeling, visualization, and rendering. Experienced across diverse areas of 3D design, delivering photorealistic and visually compelling results. Combines artistic vision with technical precision, thriving on innovation, problem-solving, and producing high-quality work.

Tools and technologies I work with:

- 3ds Max
- V-ray Render
- Corona Render
- Illustrator
- Photoshop
- Marvelous
- AutoCAD
- CorelDRAW
- Suite Office
- & more
