## Experiența profesională

**Hostess** · Address Boulevard Hotel Dubai · Dubai  
*Martie 2017 - Decembrie 2018 · 1 an 10 luni*

My main attributes as a hostess were greeting incoming and departing guests, escorting them to assigned dining area, presenting menus, announcing waiter's name, informing guests of current promotion. As a hostess I also learned how to manage even situations that were more challenging. I had to make sure that the guests were always pleased with our services, and I had the responsibility to contribute to an environment that would not leave guests with any negative impression. One of the most important things I learned was team work and also the ability to be flexible and to develop even managerial skills. In addition, the hostess job taught me to always have a well-groomed appearance, to always show a smile, to be friendly, polite and always ready to look and do my best. I also gained experience with various customers, I learned to stay focused and alert for extended periods of time, to always keep an out-going and positive attitude even in more challenging situations.
