Experiența profesională

Frontend developer · Kivork · Chișinău

Septembrie 2021 - Prezent · 4 ani 3 luni

Create and maintain components for projects in travel domain using HTML/CSS/PUG/SCSS/JS, also React, Redux, Typescript

Frontend web developer · freelance · Chișinău

August 2019 - August 2021 · 2 ani 1 lună

web developer junior · webus.md · Chișinău

Mai 2018 - August 2019 · 1 an 4 luni

My job was to convert from design file created individually for every client (Zeplin, Figma) to working prototype adaptive for different types of devices using corporate library of components (base components with minimum of styles and functional), compiled with usage of Webpack, and ready to be passed to backend developer. Also I was taking part in library of components development.
