Middle Frontend Developer

About me

Results-driven Frontend Developer with expertise in React, Next.js, SCSS, Material UI, and Web3 technologies. I specialize in creating efficient, scalable, and visually appealing user interfaces while collaborating closely with backend teams to deliver seamless solutions. Passionate about continuous learning and innovation, I am currently pursuing a degree in Information Technology at the Technical University of Moldova and actively developing my skills to build impactful digital products.

Work experience

Frontend Web Developer · FCE GROUP AG · Zug, Zug

July 2023 - August 2025 · 2 years 2 months

Utilization of React, Ant Design, Apollo GraphQL, and REST API; Implementation of responsive UI components, reporting logic, custom modals, and onboarding flows;
