Lucru pentru student

Despre mine

Third year student in the Programming and Program Product Analysis Specialty at the Center of Excellence in Economics and Finance. I have a thorough knowledge of the basics of programming and algorithms. Communicative, friendly, resourceful, advanced PC user. I have a little experience in writing websites as well as manual testing. I am eager to be challenged to further develop and improve my skills in IT and beyond. Open to various work proposals.

EXPERIENCE

Assistant programmer

MoldaHost – 2022 (March - June)

- Writing of presentation websites Landing Pages;
- Use of GitHub repository for project management;
- Manual testing of websites.
