Copywriter, Editor, Translator, Interpreter

About me

I am a student at the Faculty of Philology in Moldova, currently studying English at a C1 level and German at an A2 level. In my group, I am a Group Master, which reflects my responsible attitude, punctuality, and ability to guide others.

I graduated from a Theatre Lyceum, where I developed resilience to stress, a passion for acquiring new knowledge, skills in information analysis, open communication with people, and a deep appreciation for the arts. Also, in lyceum I was the editor of a newspaper about school life.

Based on my previous experience working at "Photolamus" as a translator and copywriter, I have learned to think abstractly and significantly improved my English proficiency at the time.
