Graphic Designer

About me

I completed an internship at StarLab (StarNet). Studied Graphic Design in Russia at the Tyumen College of Construction and Urban Management. I have been working with graphic and print design since 2020. Over the last year, I have actively focused on motion design and continued learning After Effects.

Work experience

Graphic Designer Internship · StarNet · Chișinău

August 2025 - November 2025 · 4 months

Participated in the development of a website for a large advertising campaign "Equipment for 1 Leu". Created the main promotional banner and three selection blocks for subscriptions and devices.

- Adapted assets into digital formats for Google Ads and Meta Ads campaigns.
- Used AI tools to upscale, expand, and generate visuals (Gemini Nano Banana, Seedream 4.0, MidJourney).
- Worked with Bitrix24.
- Advanced proficiency in Ps, Ai, and Figma.
- Designed printed promotional materials.

Skills: Brainstorming, Prepress preparation, Generative image editing, Design Thinking, Product design

Freelance · Remote · Russia

September 2023 - August 2025 · 2 years

Worked with clients from various industries: from social media branding to outdoor advertising and packaging. Completed a large number of layouts and refined workflow through practical experience.

- Competitor and market research
- Client communication and brief clarification
- Completing tasks within tight deadlines
- Assisting in brief creation
- Visual audit and problem-solving
- Presenting and defending design decisions

Skills: Prepress preparation, Advertising design, Packaging & label design, Market analysis, Competitor analysis

Student (Practical Training) · TCIUM · Russia

September 2021 - May 2023 · 1 year 8 months

Completed assignments to reinforce theoretical knowledge.
Worked on real design projects for college events, gaining experience with actual briefs and applying this experience later in client work.

Skills: Interpreting briefs, Teamwork, Color theory, Composition, Prepress fundamentals
