Call Center Operator, Telemarketer

About me

I'm a very motivated and disciplined person, with a strong desire to grow through real work. I'm able to learn quickly, remain focused under pressure, and I take pride in doing my work well - not simply finishing it.

I have a deep interest when it comes to working with people. I'm especially interested in roles that push me to improve my social skills, communicate better, and contribute directly to a team or a customer's experience.

I treat every job as a chance to challenge myself and make a real impact, even in a short time.
