MIG & TIG Welder

About me

I am a dedicated and skilled MIG & TIG Welder with over 4 years of hands-on experience in industrial and structural welding. Known for precision, discipline, and a strong commitment to safety standards, I excel under pressure—both independently and in a team environment. I take pride in producing high-quality welds that meet international standards and project requirements.

Currently based in Bangladesh, I am seeking an opportunity in Europe with employer-sponsored work permit and visa. I am ready to relocate immediately and provide all required documents to support the immigration process. Always eager to learn new techniques, enhance my skills, and contribute to the success of challenging projects.

Work experience

MIG & TIG Welder · MAX Infrastructure Ltd. (MAX Group, Bangladesh) · Chișinău

April 2021 - Present · 4 years 8 months

Duties

Perform MIG, TIG, and Arc welding on stainless steel, aluminum, and structural steel.

Operate and maintain welding machines and tools.

Read and interpret engineering drawings and welding specifications.

Ensure compliance with safety standards and quality requirements.

Functions

Fabrication and assembly of metal structures.

Installation and repair of welding equipment.

Inspection of welds to ensure high quality and durability.

Work both independently and in a team environment.

Achievements

Completed multiple infrastructure welding projects on time with high precision.

Successfully maintained 0% accident record during 4+ years of service.

Recognized for excellent welding quality in stainless steel pipelines.

Trained junior welders on MIG/TIG techniques and safety practices.
