UI/UX Designer

Despre mine

UI/UX Designer with hands-on experience, collaborating with clients from Australia, Germany, the USA, Canada, and Moldova. I have designed complete, modern, and functional websites focused on conversion and intuitive user experience.

UX/UI & Visual Design: create clear, easy-to-navigate structures with balanced visuals.

Figma: proficient in auto-layout, components, and variants for a coherent and easy-to-implement system.

- Collaboration with developers: deliver logical, clean, and easy-to-understand files.

- Web development understanding: know how pages are structured and the limitations of HTML/CSS implementation.

- Interpersonal skills: communicate clearly, meet deadlines, and adapt quickly to client or team requirements.

Key Skills:

- Figma
- UX/UI Design
- Prototyping
- Communication & Teamwork
- Attention to Detail
- Problem Solving
- Conversion-Focused Design

Experiența profesională

UI/UX Designer · Freelancer · Chișinău

August 2024 - Prezent · 1 an 4 luni

- Creating UI/UX designs for websites, from concept to functional prototype.

- Developing wireframes, user flows, and coherent visual systems.

- Direct collaboration with international clients (USA, Australia, Germany, Canada, Moldova) to define project requirements and objectives.

- Designing websites focused on conversion, clarity, and smooth user experience.

- Advanced use of Figma (auto layout, component variants, prototyping).

- Adapting designs for different screen sizes (responsive design).

- Maintaining clear communication with developers and clients
