Dispatcher

Despre mine

Motivated, disciplined, and results-oriented, starting a career in the dispatch field with a strong background in communication, customer relations, and organization. I have over 1.5 years of experience as a real estate agent and 8 years of work experience in the UK across various roles (hotels, bars, construction, and Amazon delivery), where I developed efficiency, stress resilience, and adaptability. My negotiation skills, multitasking abilities, and fluent English communication, combined with practical experience in logistics and coordination, make me a strong candidate for a Truck Dispatcher position.
