Dispatcher

About me

I'm looking to break into the truck logistics niche for the US market. While I don't have experience working in logistics specifically, I'm completely fluent in English and very good at handling all kinds of people. I can guarantee my complete dedication in exchange for a good chance to prove myself.

Desired industry

- Logistics / Transport

Preferences

- Full-time
- Flexible
- In-house
- Remote
- Hybrid

Languages

- **Romanian** · Don't know
- **Russian** · Native
- **English** · Native

Skills

- Business English
- Interpersonal Communications
- Attention to Detail
- Diligence
- Communications
